ABOUT US

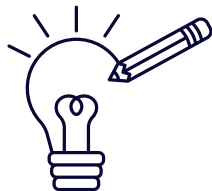

The Edusmart Group is a dynamic educational network committed to providing high-quality, inclusive learning experiences. With three distinct schools under our umbrella, we serve learners of all abilities, including those on the autism spectrum and learners with other barriers to learning. Our mission is to empower every learner to reach their full potential through personalised support and innovative teaching methods.

OUR PHILOSOPHY

Education at The Edusmart Group is about more than academics. We foster holistic development, emotional intelligence, creativity, and independence. Every learner is unique, and our programmes are designed to respect and develop these differences.

WHAT WE OFFER

SCHOOLS

1

Edusmart Academy

Edusmart Academy provides personalised education for learners who benefit from smaller classes, individual support and a nurturing learning environment within the CAPS curriculum.

2

Futuresmart Academy

Specialises in education for learners on the autism spectrum, providing a nurturing environment where individuality is celebrated.

3

Edusmart College

Offers a progressive high school experience with a focus on academic excellence, life skills, and preparation for tertiary education and career readiness.

THERAPISTS

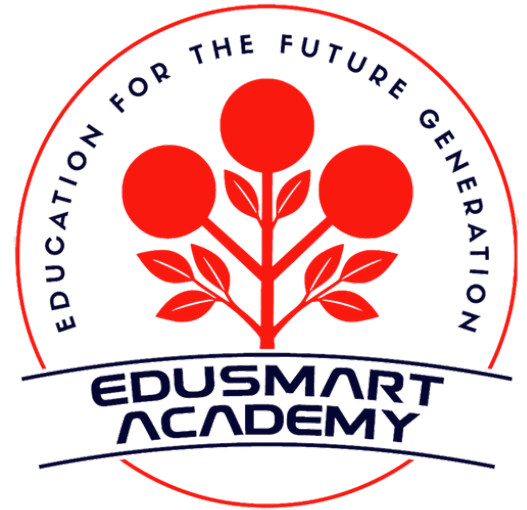

We believe that behind every learner's challenges is a child with incredible potential waiting to be discovered. Our on-site Occupational Therapist and School Psychologist form an integral part of our support team, working closely with teachers and families to understand each learner's unique strengths, needs, and goals. Through personalised support, we help learners overcome obstacles, rebuild confidence, and rediscover the joy of learning in an environment where they truly belong.

EDUSMART ACADEMY

ABOUT US

Edusmart Academy, located in Strand, Western Cape, is an independent primary school dedicated to providing a nurturing and inclusive learning environment. We cater to learners in Grades 1-7, focusing on personalised learning that meets each child's unique abilities and needs within the CAPS curriculum.

Our mission is to ensure that every learner can grow academically, socially, and emotionally. We understand that children learn differently, and our programmes are designed to give them the support and confidence they need to thrive.

OUR APPROACH

- Personalised Learning Plans
- Every learner receives a tailored educational programme designed around their strengths, challenges, and interests. This allows children to progress at their own pace while developing essential academic skills.
- Small Class Sizes
- With 10-12 learners per class, our teachers can provide individual attention and meaningful engagement with each child, ensuring that no learner is left behind.
- One-on-One Support
- Some learners require additional support to reach their full potential. Our remedial classes provide targeted, one-on-one assistance in literacy, numeracy, or other areas where learners need extra help.
- We believe that education goes beyond academics. At Edusmart Academy, we focus on emotional intelligence, life skills, creativity, independence, and social development, helping learners become well-rounded individuals.

WHY CHOOSE EDUSMART ACADEMY?

- Experienced, Caring Educators: Our teachers are trained in special needs education and dedicated to supporting each learner's unique journey.
- Safe and Modern Facilities: Our classrooms and learning spaces are designed to be engaging, secure, and stimulating.
- Empowering Programmes: Our curriculum balances academic excellence with life skills, emotional regulation, and practical learning.
- Inclusive Community: We foster a culture of respect, understanding, and encouragement, where every child can belong and succeed.

BEYOND THE CLASSROOM

- Edusmart Academy offers a variety of enrichment opportunities to support learners' growth:
- Structured outdoor activities and play-based learning
- Educational excursions and community engagement
- Focused support for emotional and social development

FUTURESMART ACADEMY

ABOUT US

Specialising in education for learners on the autism spectrum, with personalised support for learners who thrive in a structured, nurturing environment.

We believe every child has unique strengths, and our mission is to cultivate those abilities through personalised education, therapeutic support, and a strong sense of belonging.

OUR APPROACH

At Futuresmart Academy, we prioritise:

- **Small Class Sizes:** Classes are intentionally limited to 10-12 learners to ensure individualised attention.
- **Tailored Learning Plans:** Each learner follows a personalised plan to meet their academic, emotional, and social needs.
- **One-on-One Support:** Dedicated remedial and therapeutic interventions are provided where needed.
- **Holistic Development:** We focus on academics, life skills, social growth, and emotional wellbeing to prepare learners for the future.
- **Safe & Supportive Environment:** Our classrooms and playgrounds are structured to promote calm, growth, and independence.

WHY CHOOSE FUTURESMAST ACADEMY?

- Highly trained, compassionate teachers with expertise in working with diverse learning barriers.
- A structured and predictable learning environment where learners feel secure.
- Integration of therapy and support within the school day.
- Strong focus on building confidence, independence, and life skills.
- A community where learners and families feel seen, heard, and supported.

BEYOND THE CLASSROOM

At Futuresmart Academy, we believe that learning extends far beyond academics. Our enrichment opportunities are thoughtfully designed to support the unique needs of learners on the spectrum, helping them grow with confidence and joy:

- Sensory-friendly outdoor activities that encourage movement, play, and exploration in a safe environment.
- Engaging educational excursions that connect classroom learning with real-world experiences.
- Community involvement projects that build confidence, empathy, and a sense of belonging.
- Personalised social and emotional support to help learners thrive in their daily interactions and relationships.

EDUSMART COLLEGE

ABOUT US

From Grade 8 and upwards, Edusmart College provides a learning environment designed to empower each learner to reach their full potential. Our dedicated teachers focus not only on academic achievement but also on developing life skills, independence, and confidence. Families have the flexibility to choose between two curriculum options — the South African CAPS or the American Curriculum — ensuring that every learner can follow a pathway that aligns with their strengths, aspirations, and future goals. Through personalised support, structured programmes, and a strong emphasis on holistic development, Edusmart College prepares learners not just for school success, but for the challenges and opportunities that lie beyond the classroom.

OUR APPROACH

At Edusmart College, we are committed to equipping learners from Grade 8 upwards with the skills, knowledge, and confidence they need to thrive academically and personally. With both South African CAPS and American Curriculum options, our learners benefit from a flexible and future-focused education.

- **Small Class Sizes:** Limited numbers create space for individualised attention and strong learner-teacher relationships.
- **Curriculum Choice:** Families can choose between CAPS Grades 8 & 9 face-to-face, and Grade 10 online assisted learning or the American pathway online curriculum in our LEARNING LAB, ensuring the best fit for each learner's goals.
- **Personalised Learning Plans:** Academic programmes are tailored to support diverse learning needs while encouraging strengths.
- **Holistic Preparation:** A strong emphasis on academics, independence, social development, and life skills.
- **Supportive Learning Environment:** Structured classrooms and caring staff provide security, guidance, and encouragement.

WHY CHOOSE EDUSMART COLLEGE?

- Highly trained, compassionate teachers with expertise in supporting diverse learning barriers
- A structured and predictable learning environment where learners feel secure and motivated
- Flexible choice between South African CAPS and American Curriculum to suit future pathways
- Integration of therapy and individualised support within the school day
- Strong emphasis on building confidence, independence, and essential life skills
- A community where learners and families feel valued, heard, and supported

BEYOND THE CLASSROOM

At Edusmart College, we know that learning doesn't stop at the classroom door. Our programmes are designed to prepare learners for the future by developing independence, critical thinking, and real-world skills alongside academic success:

- **Enrichment Activities:** Expanding learning through clubs, projects, and practical experiences.
- **Career and Skills Development:** Introducing pathways that prepare learners for further study, work, and life.
- **Community Engagement:** Encouraging responsibility, empathy, and leadership through meaningful involvement.
- **Personal Growth Support:** Fostering resilience, confidence, and strong social-emotional skills.

These opportunities ensure that our learners leave Edusmart College ready to embrace life beyond school with confidence and purpose.
